The Passion of my heart is to see God move IN and THROUGH all Generations that they would encounter the Power and Presence of God. That NO Generation would be left behind in Encountering a Supernatural God doing Supernatural things. That EVERY CHILD would LIVE in their purpose of God that they were created for in the Kingdom of God NOW. We are created to be the CONTAINERS, CARRIERS and CONNECTORS of the Supernatural Presence of God.

Shane and Diann have been married for 40 years this year, the parents of two children and Grandparents to two Grand Kids.
