

# PARTNER IN THE MISSION

**Every Child Matters! There is an urgency to the emergency. The Good News is only Good news when it is understood in your language. Our children are speaking a different language, one of technologies. They have been called the digital natives as they are the first generation born knowing nothing but technology. We are losing this generation in our churches all over the world. The statistics are alarming as an entire generation walks away from the roots of their faith. The church is always ONE generation away from extinction! This is a Spiritual Battle for the minds and hearts of a generation. Leadership and parents are at a loss for answers as they watch their children leave faith.**

## Partner with Shane Cooke Ministries

Shane Cooke Ministries has been founded with a vision to equip parents, children and leaders; to reach this generation with the message of Jesus in every tribe, nation and language using a multiple generational approach. We want to empower All Generations (XYZ) with the tools needed to impact the world.

Shane Cooke has been in full time ministry for the past 36 years of which 33 years has been in Children's Ministry. Shane has ministered extensively in multiple nations over these 36 years as a key note speaker at workshops and conferences, lecturing at bible colleges, pulpit ministry, running family services and speaking at camps. In 2017 Shane stepped out into Itinrate ministry to Train & Equip Parents, Children & Leaders around the world.

"The passion of my heart is to see God move in and through the next generation of kids, that these children would encounter the Power and the Presence of God as they operate in the Gifts and callings of God."
