Spiritual Parenting TOOLBOX

In Jewish culture: Jewish Spiritual Parenting has two parts: “**Building Foundations** for Spiritual Parenting” and “**Practicing Spiritual Living** for Spiritual Growth.” This was always God’s intended way of passing on faith. Judges 2:10 gives us a record of when faith is not passed down to the next generation. We see three generations mentioned and their commitment and challenge to faith. Each has a different outcome. The first generation SAW the things of God, they experienced it first hand. The Bible tells us that they witnessed first hand encounters with God. The second generation HEARD the stories of these encounters BUT never experienced it for themselves. The third generation are recorded as serving other gods.

HOW is this possible? Where was the breakdown when it came to passing on faith to their children and their children’s children? The Spiritual Parenting TOOLBOX will give you practical hands-on tools to help with nurturing your Children’s Faith Journey.
